

ABOUT

For more than 40 years, Fortegra and its subsidiaries have delivered risk management solutions that help people and businesses succeed in the face of uncertainty. As a global specialty insurer, we offer a diverse set of admitted and surplus insurance and warranty. Fortegra's A.M. Best Financial Strength Rating of A- (Excellent) is a result of our rigorous underwriting standards and consistent profitability.

OUR VALUE

- 
Strong & Stable
 An industry leader for 40+ years, with an A- excellent financial strength rating from A.M. Best.
- 
Reputable
 A collaborative approach that promotes long-term partnerships.
- 
Comprehensive
 As a vertically integrated insurer, we're able to support all elements of the business.
- 
Experienced
 Our actuarial expertise ensures competitive, and sustainable pricing.

The **strength and stability** you need from an insurer. The **collaborative approach** you want from a partner.

As a vertically integrated insurer, we're able to support all elements of the business internally. This allows us to develop new products and bring them quickly to market to meet our partners' complex and evolving needs.
